

Day 1 Conference Program Overview

Morning Program: 09:45–12:00

Time	Session	Speaker(s)	Country
09:45–10:15	Welcome Coffee & Tea	—	—
10:15–10:30	Conference Opening (Welcome address and Program Introduction)	A. Demoule & J. Delemazure	France
10:30–11:00	Prestige Conference: Cognition and Breathing or Dyspnea	Thomas Similowski, MD	France
11:00–11:30	The Diaphragm and the ICU: To Pace or Not to Pace?	M. Dres, MD	France
11:30–12:00	Weaning: Evidence-Based Practice (HFO, NIV, Tracheostomy Management...)	G. Hernandez, MD	Spain

Lunch Break & Networking: 12:00–14:00

Time	Activity	Format / Location
12:00–14:00	Lunch Break	Catering area
12:00–14:00	Poster Sessions	Exhibition space
12:00–14:00	Networking	Lounge / Foyer

Parallel Sessions and Workshops: 14:00–15:30

Parallel Session 1: Meet the Expert / Interactive Clinical Case (90 min)

Time	Topic	Speaker(s)	Profession	Country
14:00	Difficult Weaning or Pro/Con Capping	G. Hernandez + ?	MD	Spain
14:45	Dysphagia (including speech therapy)	Anna Liisa Sutt	SLT	UK

Parallel Session 2: TBI and Neuro Critical Care (90 min)

Topic	Speaker(s)	Profession	Country
Rehab-oriented Neuro Critical Care	V. Degos	MD	France

Topic	Speaker(s)	Profession	Country
Early Rehab in Neuro Critical Care: Physio with New Techniques	Thomas Gallice & Agnieszka Lewko*	PT	France / UK / Poland
Tracheostomy Management and Decannulation in Neuro Critical Care	Peggy Gatignol, Diane Picard, Elodie Baudier	SLT	France
TBI: Long-Term Rehab Challenges	Caroline Renner & Jacques Luauté	MD	Germany / France

Workshop 1: Ultrasound (90 min, 30 participants)

Topic	Speaker	Profession	Country
Diaphragm Assessment	M. Van Hollebeke	PT	Belgium
Swallowing Assessment	C. Diaz	PT	France
Skeletal Muscle	Y. Combret	PT	France

 Format: 3 groups of 10, rotating

Workshop 2: Technical Workshop (90 min, 30 participants)

Topic	Speaker(s)	Profession	Country
Neuromuscular Electrical Stimulation	I. Patsaki & L. Katatzanos	PT	Greece
Mechanical Insufflation-Exsufflation (MI-E)	T. Andersen	PT	Norway
Inspiratory Muscle Training (IMT)	D. Langer, B. Clerckx & team	PT	Belgium

 Format: 3 groups of 10, rotating

Coffee Break: 15:30–15:45

Time	Activity	Location
15:30–15:45	Coffee Break	Foyer / Lounge

Parallel Sessions and Workshops: 15:45–16:45

 Parallel Session 3: PT / Mobilisation

Topic	Speaker	Profession	Country
Pro/Con Debate: Early Mobilisation	Peter Nydahl RN		Germany

Parallel Session 4: Secretion Management

Topic	Speaker	Profession	Country
Cough Augmentation	Tiina Andersen	Physiotherapist	Norway
Nasopharyngeal / Oropharyngeal Suction	Agnieszka Lewko	Physiotherapist	Poland / UK
Pharyngeal Electrical Stimulation	Anna Liisa Sutt	SLT	UK

Experiential Workshops (30 participants)

Topic	Speaker	Profession	Country
Walking with ICUAW	E. Morawiec	MD	France
Eating with ICUAW	J. Bouvier	OT	—
Communicating on the Ventilator	E. Lauranton (?)	PT	—

 Format: 6 groups, no rotation — collective debrief

Experiential Workshop: Experience Dyspnea (60 participants)

Topic	Speaker	Profession	Country
Dyspnea	M. Decavele	MD	France

Workshop: Tips, Tricks, and Troubleshooting (30 participants)

Topic	Speaker	Profession	Country
NIV	M. Lebre	PT	France
Tracheostomy	T. Gallice	—	—

 Format: 2 groups of 15, rotating

Evening Program

Time	Activity	Format / Location
18:30	The "apéro"	Informal gathering / drinks
19:30	Dinner	Seated dinner / banquet

Let me know if you'd like this styled for a specific layout (e.g. 2-column brochure, slide deck, or printable handout), and I'll help you format it accordingly.

Day 2 – Conference Program

Morning Program: 08:30–11:00

Time	Session	Speaker(s)	Profession	Country
08:30–09:00	Welcome Coffee & Tea	—	—	—
09:00–09:30	Dyspnea in the ICU / Humanizing Delirium Care (PN or GHLC)	M. Decavele	MD	France
09:30–10:00	Thirst in the ICU	P. Spronk	MD	Netherlands
10:00–10:30	Caring for the Families	Nancy Kentish-Barnes	Sociologist	France

Coffee Break: 10:30–11:00

Time	Activity	Location
10:30–11:00	Coffee Break	Foyer / Lounge

Parallel Sessions and Workshops: 11:00–12:00

Parallel Session 5: Lesser Known Complications, Long-Term Consequences

Topic	Speaker	Profession	Country
Brachial plexus and other upper limb ICU-related neuropathies	A. Cambon	MD	France
Laryngo-tracheal complications (link)	Sarah Wallace	SLT	UK
Tapia Syndrome	Dennis Mader	Patient	France / Switzerland

Parallel Session 6: PICS and Long-Term Recovery

Topic	Speaker	Profession	Country
PICS	Caroline Renner	MD	Germany

Topic	Speaker	Profession	Country
ICU Recovery: Time for a Personalised Approach	Joanne Mc Peake	RN	UK
Remote Rehabilitation: iRehab Study	Brenda O'Neill	PT	UK

Workshops (11:00–12:00)

Workshop: Experience Dyspnea

 Participants: 60

 Duration: 60 minutes

Topic	Speaker	Profession	Country
Dyspnea	M. Decavele	MD	France

Experiential Workshops

 Participants: 30

 Format: 6 groups, 45 min session × 1 + 15 min collective debrief

Topic	Speaker	Profession	Country
Walking with ICUAW	E. Morawiec	MD	France
Eating with ICUAW	J. Bouvier	OT	—
Communicating on the Ventilator	E. Lauranton (?)	PT	—

Workshop: Tips, Tricks, and Troubleshooting

 Participants: 30

 Format: 2 groups of 15, 2 rotations × 30 minutes

Topic	Speaker	Profession	Country
NIV	SKR	PT	France
Tracheostomy ?	—	—	—

Parallel Sessions and Workshops: 13:30–15:00

Parallel Session 7: Surviving ICU and Drastic Body Changes

Topic	Speaker	Profession	Country
Purpura Fulminans	D. Contou	MD	France

Topic	Speaker	Profession	Country
Necrotizing Skin and Soft Tissue Infections (SKIN-ICU Study)	T. Urbina	MD	France
(Future) Amputees in ICU: Wound Care, Early Complications, Pain Management, Rehab Protocols...	Gauthier Besson (?)	MD	France
Supporting Patients Through Body Image Changes	S. Castellano	Psychologist	France
<i>Maybe</i> : Lessons from the Paris Olympic & Paralympic Games	Rabadan	—	France

Parallel Session 8: My Favourite W&R Papers of the Last Few Years

 Curated by: Tiina Andersen

 Format: 4 × 20 min presentations + 10 min Q&A

 Focus: “Must read” and “Looking forward to” picks across disciplines

Edition	Speaker(s)	Profession	Country
Physician Edition	P. Spronk, Schaller	MD	—
Nursing Edition	P. Nydahl, Paulo Azevedo, Brenda O'Neill, Gabriel, Alessandro	RN	—
Physio Edition	S. Eggman, C. Medrinal (?)	PT	—
SLT Edition	A.L. Sutt, Sarah Wallace	SLT	UK

Workshop: Ultrasound

 Participants: 30

 Format: 3 groups of 10, 3 rotations × 30 minutes

Topic	Speaker(s)	Profession	Country
Diaphragm Assessment	M. Dres	MD	France
Swallowing Assessment	C. Diaz	PT	France
Skeletal Muscle	Cheryl with SKR	PT	—

Workshop: Technical Workshop

 Participants: 30

 Format: 3 groups of 10, 3 rotations × 30 minutes

Topic	Speaker(s)	Profession	Country
Neuromuscular Electrical Stimulation	I. Patsaki & L. Katatzanos	PT	Greece

Topic	Speaker(s)	Profession	Country
Mechanical Insufflation-Exsufflation (MI-E)	T. Andersen	PT	Norway
Inspiratory Muscle Training (IMT)	B. Clerckx	PT	Belgium

Workshop: New Tools

 Participants: 30

 Format: 3 groups of 10, 3 rotations × 30 minutes

Topic	Speaker	Profession	Country
Musicotherapy and Sensory Cart	F. Helbert	AS	France
Eye/Hand Coordination in VR-ICU	D. Tzoumi	OT	Greece
Mobilization on ECMO	Robert van der Stoep	PT	Netherlands

Final Moments & Future Outlook

Time	Activity	Description
15:15–15:45	Best Poster Award	Recognition of outstanding contributions
15:45–16:15	Conference Closing & Future Perspectives	Reflections and next city announcement

Let me know if you'd like a title page, speaker index, or printable layout suggestions next!
