

# DAY 1 | 26 SEPTEMBER 2026

09:45-10:15	Welcome Coffee & Tea
10:15-10:30	Conference Opening (Welcome address and Program Introduction)
10:30-11:00	Weaning: evidence-based practice (HFO, NIV, trach management...)
11:00-11:30	SLT interactive clinical case
11:30-12:00	Caring for families
12:00-14:00	Lunch Break / Poster sessions / Networking/ Musicotherapy-Relaxation

# DAY 1 | 26 SEPTEMBER 2026

14:00-15:00	Session 1	Session 2	Workshop 1	Workshop 2	Workshop 3
	Meet the expert: tracheostomy management	Surviving ICU and significant body change	<b>Occupational Therapy</b> This Workshop consists of two stations: *Virtual Reality-ICU: eye-hand coordination *Essential OT toolbox for the ICU	<b>Techniques in Rehab 1</b> This Workshop consists of two stations : *Tracheostomy *Mechanical in/exsufflation	<b>Ultrasound</b> This Workshop consists of two stations : *diaphragm assessment *swallowing assessment
15:00-15:15	Coffee Break				
15:15-16:15	Session 3	Session 4	Workshop 4	Workshop 5	Workshop 6
	Mobilization	Secretion management	<b>Mobilization on ECMO</b> Mobilizing a patient on ECMO? No problem! Overcome anxiety and technical issues in this simulation workshop.	<b>Dyspnea</b> is one of the most distressing symptoms in critical illness — yet few caregivers have ever experienced it. This interactive and immersive session blends physiology, epidemiology, and lived experience to transform how you understand and manage breathlessness in ICU and post ICUpatients.	<b>Techniques in Rehab 2</b> This Workshop consists of two stations: *Neuromuscular electrical stimulation *Inspiratory muscle training

# DAY 1 | 26 SEPTEMBER 2026

09:45-10:15	Welcome Coffee & Tea
16:30-17:00	Occupational therapy in the ICU
17:00-17:30	Caring for our patients, Caring for our planet
17:30-18:15	Dyspnea
18:30	„L' Apéro“

# DAY 2 | 27 SEPTEMBER 2026

8:30-09:00	Welcome Coffee & Tea
09:00-09:30	Remote Rehabilitation: iRehab study
09:30-10:00	Thirst in the ICU
10:00-10:30	Humanizing Delirium Care
10:30-11:00	Post ICU follow up in children
11:00-11:30	Coffee Break

# DAY 2 | 27 SEPTEMBER 2026

11:30-12:30	Session 5	Session 6	Workshop 7	Workshop 8	Workshop 9
	Are you aware of these long lasting ICU complications ?	Weaning	<b>Mobilization on ECMO</b> Mobilizing a patient on ECMO? No problem! Overcome anxiety and technical issues in this simulation workshop.	<b>Dyspnea</b> is one of the most distressing symptoms in critical illness — yet few caregivers have ever experienced it. This interactive and immersive session blends physiology, epidemiology, and lived experience to transform how you understand and manage breathlessness in ICU and post ICU patients.	<b>Techniques in Rehab 2</b> This Workshop consists of two stations: *Neuromuscular electrical stimulation *Inspiratory muscle training
12:30-14:30	Lunch Break / Poster sessions / Networking/ Musicotherapy-Relaxation				
14:30-15:30	Session 7	Session 8	Workshop 10	Workshop 11	Workshop 12
	Mobilization	Secretion management	<b>Occupational Therapy</b> This Workshop consists of two stations: *Virtual Reality-ICU: eye-hand coordination *Essential OT toolbox for the ICU	<b>Techniques in Rehab 1</b> This Workshop consists of two stations : *Tracheostomy *Mechanical in/exsufflation	<b>Ultrasound</b> This Workshop consists of two stations : *Diaphragm assessment *Swallowing assessment

# DAY 2 | 27 SEPTEMBER 2026

15:30-16:00

Best poster award

16:00-16:15

Conference closing and future perspectives (next city announcement...)
